Dear Members of the Nominating Committee,

It is with great enthusiasm that I nominate Joe Marburger of Circular Solutions (CS) for a position on the Georgia Recycling Coalition's Board of Directors for the 2026–2028 term.

Joe is very familiar in the recycling and sustainability space, with a demonstrated commitment to strengthening and modernizing recycling systems across Georgia and beyond. As CS Chief Financial Officer, Joe has advanced innovative approaches to recycling verification, supply chain transparency, and stakeholder engagement. Beyond his professional accomplishments, he is skilled at building consensus, motivating teams, and aligning stakeholders toward shared goals.

I am confident that Joe's leadership and passion for recycling make him an outstanding candidate for the GRC Board of Directors. He has my full support and recommendation, and I know he will dedicate his time and resources to advancing the Coalition's mission.

Thank you for your consideration of his nomination.

Sincerely,
