Dear Colonial Way & King George Quay Residents,

Last month, we introduced ourselves, told you about Recycling Perks, and invited you to join our neighborhood recycling program. You responded by recycling more than you ever have before! That's great news, and we're excited to see how we can do even better this month.

Let's see how we measure up! Below, you'll see your recycling rates compared to your neighbors. As you can see, the majority of your neighbors are recycling more than you are.

As a reminder, your next recycling dates are: February 20th, March 20th, and April 6th. This month, we've added a few more recycling dates: April 20th and May 4th. Be on the lookout for our recycling truck and make sure to get your cart rolled out to the curb the evening before your recycling day.

As always, feel free to contact us if you have any questions or concerns.

Yours in recycling,
The Team at TFC Recycling

Dear Colonial Way & King George Quay Residents,

Hello from TFC Recycling & Recycling Perks. We're back again to let you know how the competition for recycling Perks is shaping up among Colonial Way and King George Quay.

It looks like your last recycling pickup took a slight downward turn. Encourage your neighbors to join the competition and make sure to get your cart rolled out to the curb the evening before pick-up or before your recycling day.

As a reminder, your next recycling dates are: February 20th, March 20th, and April 6th. This month, we've added a few more recycling dates: April 20th and May 4th. Be on the lookout for our recycling truck and make sure to get your cart rolled out to the curb the evening before your recycling day.

As always, feel free to contact us if you have any questions or concerns.
