Dear Georgia Recycling Coalition Board Member Selection Committee:

It is with great pleasure that I write this recommendation letter for Carliss Bates to join the Georgia Recycling Coalition (GRC) Board of Directors.

I have had the pleasure of getting to know Carliss over the past four years as she has grown and excelled in her role as Executive Director with Keep Savannah Beautiful. Carliss is dedicated to environmental initiatives and her love for this industry is recognized through her actions and the many state awards that she has won over the past years.

With her focus on local government, recycling, and environmental initiatives, I believe that Carliss will be an amazing addition to the GRC Board of Directors.

Sincerely,

A handwritten signature in cursive script that reads "Kimberly White".
